Dear Ashley [REDACTED]

You may qualify to purchase the Mortgage Protection Plan which can prevent you and your family from **losing your home in the event of death or illness.**

Based on the design of this insurance plan, which you can qualify **without a physical exam**, the following important benefits can be available.

DEATH BENEFIT - Plan pays \$87,729 directly to your family in the event of death.

CHRONIC ILLNESS - Plan pays monthly income, directly to you, in the event of heart attack, cancer, stroke or long-term care needs.

TERMINAL ILLNESS - Plan pays funds directly to you in the event of terminal illness.

MONEY BACK OPTION – Many plans offer return of premium if the benefits are not used during the policy term.*

At no cost or obligation, please complete the information below and mail back in the postage paid envelope provided.

Entire form should be returned. Do not tear. Fill out in dark ink.
